

## Carpenter -Retail- (m/w/d)

We are beMATES PRODUCTION. This is a team of brand lovers with a network of experts.  
We breathe life into brands and looking for you.

- > You love to create retail & brand furniture and implement them successfully on site.
- > You have successfully completed work training in the field of: carpentry or wood technician
- > You have a proven track record in model making and craftsmanship, knowledge of materials and surfaces as well as technical processing skills
- > You have at least 5 years of professional experience in the retail and/or event industry, ideally also with large projects.
- > You have a good view and a clear understanding of processes.
- > At best, you speak German & English like your mother tongue.
- > You like to work independently and in a team
- > The role is highly varied, no project is ever the same so a flexible working practice and attitude is essential
- > You are communicative, solution-oriented and empathetic.

## Are you that ?

Then we look forward to getting to know you.
